

NEWS FROM TURKISH GERIATRICS SOCIETY...

AFTER TURK GERIATRI 2021 ONLINE CONGRESS...

Turkish Geriatrics Society organized National Turkish Geriatrics 2021 online Congress between 10 and 12 June 2021 with the title “Multidisciplinary Approach to Old Age”.

Many distinguished national and international health professionals working on different aspect of aging participated in the Congress. The president of the congress was Prof. Yeşim Gökçe Kutsal, MD and the scientific secretariat was performed by Prof. Dilek Aslan, MD, MSc.

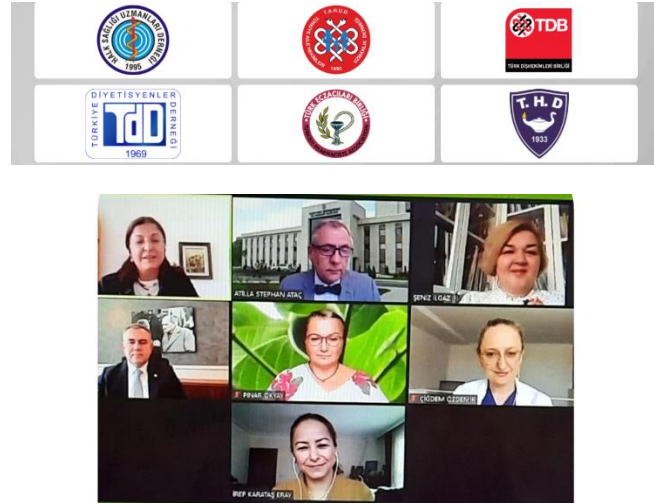

Themes of the presentations covered different aspects of aging like healthy and active aging, health/wellbeing of the older people, diseases profiles of the seniors and solutions, prevention, treatment, and rehabilitation services in old age, etc. All content was designed in a multidisciplinary manner.

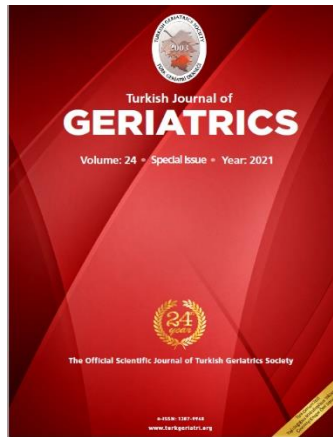

During the congress, national and international speakers and participants shared their perspectives. Among the international guests the Director of Oklahoma Nathan Shock Aging Center Prof. Arlan Richardson, the President of the European Public Health Association, Prof. Iveta Nagyova, Chair of the Geriatric Department of the Hospital Universitario Ramón y Cajal in Madrid, Spain and Academic Board Member of European Union Geriatric Medicine Society, Prof. Alfonzo Cruz- Jentoft and the President of Azerbaijan Gerontologists Association Prof. Ulduz Hashimova, shared their knowledge and experience with the Congress participants.

Turkish scientists contributed to our congress by sharing their research and experiences in different aspects of aging. Among the national participants, representatives of professional organizations met at the roundtable session. For this purpose, representatives of the Association of Public Health Specialists, the Turkish Dental Association, the Turkish Pharmacists Association, the Turkish Nurses Association, the Turkish Family Medicine Specialization Association, and the Turkish Dietetic Association came together and strongly emphasized the importance of the multidisciplinary approach in old age.

The abstracts or the full texts of the conferences, abstracts of oral and poster presentations have been published in the Special Issue of the Turkish Journal of Geriatrics. The journal can be accessed at <https://turkgeriatri2021.org/uploads/kongre-kitabi.pdf>.

Information about the Congress will be available at <https://www.turkgeriatri2021/> until 10 July, 2021.

We hope to meet you in the coming activities.
